

On the day 13.03.2019 at the premises of the Rotary Club "Stari Grad Belgrade" at Hotel Metropol, Mr. Zeljko Gajic, Director of EU Operations of the IBSSA Anti Human Trafficking Project, held a very successful lecture on "Trafficking in People, Aspects and Tendencies".

Next to the present members of the Rotary Club Stari Grad Belgrade, where Mr. Zeljko Gajic is a very active member, the lecture was attended guests, lecturers and professors from local universities dealing with this topic.

Special attention should be paid to the presence of Professor Hatidze Berisa, who is current lecturer at the Military Academy, Ministry of Defence of the Republic of Serbia.

Professor Hatidze Berisa has recently become a member of the IBSSA AHT Bureau of Serbia and has been involved in the work of the Bureau as a coordinator and representative for relations with the Ministry of Defence.

We would especially like to point out that the Rotary Club Stari Grad Belgrade, is one of the most successful Rotary clubs in the district.

In addition to the Club President Mr. Dusko Marijanovic, they would mention the representative of the Ministry of Justice, Mrs. Oliver Pajic, Economic Expert, Prof. Dr. Snezana Santic, professor of Mechanical Engineering University Prof. Dr. Aleksandar Gajic, Director of the Swiss Foundation Border Free, Mr. Samira Shalabi, representative of the City Municipality of Loznica, Mr. Nebojsa Todorovica and many other members of this very active and successful community.

At the lecture, IBSSA AHTP representative Mr. Zeljko Gajic presented basic theses on human trafficking issues, informed the participants about the current issue, presented statistical data on victims from the previous period, and presented the basic plans for IBSSA AHTB Serbia. The lecture also presented the idea and development of the IBSSA Anti Human Trafficking Project and the participants showed great interest and support for the further development of the Project through contacts, information exchange, and any form of support.

Director for EU Operations IBSSA AHTP
