

Airsoft Adventures & Corporate Team Building

COME TRAIN WITH PROFESSIONAL MILITARY, SWAT and INTERNATIONAL BODYGUARDS

Step into an exciting world of adventure taken straight from the pages of an action novel. Receive a tactical uniform and be part of a military style strategy briefing. Then link up with your "Unit" and experience the thrill of tactical operations as they unfold minute by minute. Finally, head skyward in one of our team helicopters as you extract from your operational area. An experience you won't forget, complete with certificate and photos!

Airsoft Adventures - \$150.00 per course. Complete a 4-hour rural or urban course then graduate to our aviation course. Incorporate team play with instruction from professional operators.

Corporate Team Building - \$250.00 per person.

- A 4-hour adventure that will require team work.
- All your gear is provided. Participate in a
- hostage rescue, implement your exit strategy and make your rapid exit by helicopter!

All activities are supervised by our team instructor cadre. Certified emergency medical personnel and security are on site at all times.

125 Fraley Road, Gastonia, North Carolina

call to register 704-629-4677 for our next program

We are not an airsoft playing field. We are a professional tactics and aviation training center that has opened our doors to the airsoft community. Come train with the professionals!
