# Report on the IBSSA Technical Department

This report has been made for the 15<sup>th</sup> Congress of IBSSA, on 6<sup>th</sup> November, 2010 in Siem Reap – Angkor Wat by Dr. András Czapáry-Martincsevics – Chairman of IBSSA Technical Department about the activity of the Department since the last Congress and about some future plans how to develop and to continue the activity of the Department.

1. The members of TechDept have defined the mission and the places of activity, the requirements for nomination of new TechDept members agreed by Executive Committee. It can be read by everyone on the homepage of IBSSA or please contact us for having it. We focused to find new members who supporting efficiently our activity and working really.
2. The members of Technical Department are:
  - Dr. András Czapáry-Martincsevics (Hungary) Chairman
  - Bert Dombi (Swiss) Secretary
  - Ing. Marius Marghitas (Romania)
  - Dipl. Ing. Dr. Milovan Lakušić (Serbia) Secretary
  - Zoltán Hegedűs (Serbia)
3. The members of the Department have participated continuously in the work of the national associations of security companies. The presence at the country conferences and at the monthly general meetings of the IBSSA National Sections is a very efficient and right way of support provided by the side of the Technical Department.
4. There are plans to make technical presentations and demonstrations for the members of the Congress. Any demonstrations are welcomed now and in the future too. The Congress is an excellent opportunity to do presentations and to share technical information with the members of the Congress, so we ask the organizing Committee of next Congress too to keep the opportunities of demonstrations.

Finally we would like to state and declare that we focus our activity on introducing more and more new security equipment and technology to the members of IBSSA by using of all publication opportunity of IBSSA.
