GREETINGS

Not having this year the possibility to be among you in Tel Aviv, I would like to express my warmest regards to all, from France, through these few lines. Without any doubt, the event will be fruitful and meaningful.

We cannot say that IBSSA France has been very active in the past years, but each year is a new beginning, and my motivation remain intact, to share my values and experience in the field of security for new generation of bodyguards or security officers. As soon as opportunity will arise, we will organize trainings and seminars.

Meanwhile, get the best of what such even and meetings can offer for you and your activities, keeping of course in mind the spirit of IBSSA, based on the values of the Knights of St. John of Jerusalem!

Warm regards,

Ronan Chatellier
Country Representative for France
